We've had an excellent week of learning with some notable highlights. The first was the Dirshu Siyum, where we had the tremendous זכות of sitting together and hearing some of the גדולי ישראל speaking. It was a true מעמד התורה and real חינוך. We thank the ראש ישיבה for organising the tickets. Later in the Newsletter, we present a summary and the thoughts of one of the בחורים about the Siyum. We were also זוכה to hear Rabbi Aubrey Hersh, who gave us some unique insights into the חנוכה of יום טוב. We are also looking forward to Rabbi Y Rabinowitz the Menahel of MGS, visiting us on Friday Morning and Rabbi Ilan Halberstadt the Rov of Machazikai Hadass, during חנוכה.

**Message from the ראש הישיבה שליט"א**

Dear Parents,

One day this week, I told our Choshuver תלמידים how I felt it was the best day of learning since the Yeshiva opened!

It was a real נחת to see how every בחור in the בית המדרש was breaking their heads over the גמרא, רש"י, and תוספות with worksheets and all.

May we be all זוכה to understand our learning with a klorkeit!

Good שבת!

**Message from the ראש הישיבה שליט"א**

השם we are delighted with all our ישיבה בחורים. Under the devoted care of their Rebbeim, they continue to learn באחדות with great חשקת התורה, and שמחת. They are going חיל אל חיל lighting the way - כי נר מצוה ותורה אור.

In anticipation of חנוכה, there will be some slight changes, having consulted with our מורא דאתרא Dayan Simons. We will be lighting נרות חנוכה before davening מעריב בזמנו. We will sing a few niggunim followed by a light snack.

We will then have שיעור בקיאות followed by מוסר סדר, which end no later than 6:10. On Thursday, 26th Dec - זאת חנוכה, we intend to finish the day at 5:10, allowing for the בחורים to enjoy their שבת break.

## Dirshu Siyum

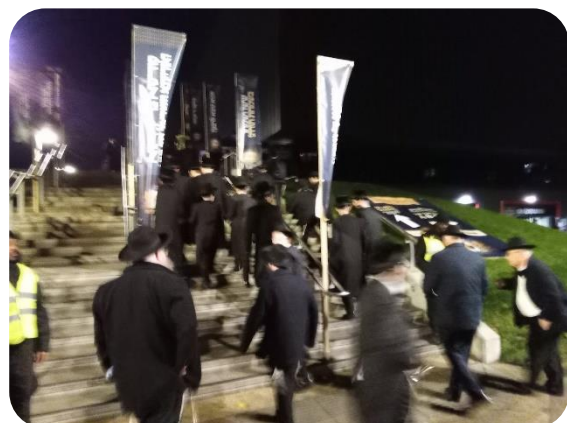

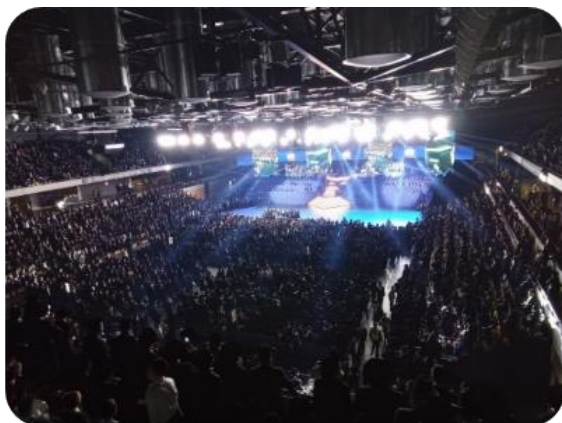

I arrived at Copper Box Arena at 6:30 pm, looking forward to an amazing evening. This was my first time attending a **דרשו סיום** live. The program started with hearing some words from the **שר התורה, מרן הרב נסים שליט"א** after we heard inspiring words from **הרב נסים שליט"א**, the founder of **דרשו**, and Rav Shiff שליט"א from Antwerp.

The music was beautiful. Baruch Levene, Hershy Weinberger, Zanvel Weinberger, and Moti Steinmetz performed with the Malchus Choir Band, accompanied by Mona Rosenblum and Moishy Roth.

My best part was Rav Nisim Kaplan's speech and the music

Thank you to the **ראש ישיבה שליט"א** and to **רבר אברהם קטלר שליט"א** for arranging our trip to the **סיום**.

## Culinary Skills Course

This week, we learnt how to make fried schnitzel and stuffed peppers!

## Rabbi Aubrey Hersh

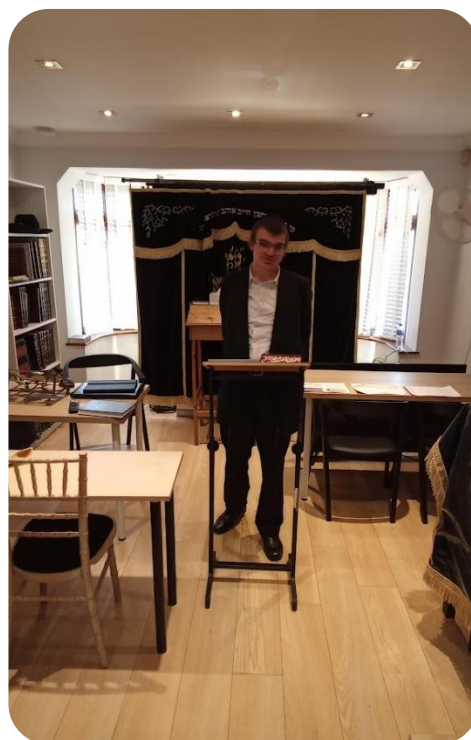

Rabbi Hersh gave a fascinating שיעור, חנוכה, on, how the main thing the Yidden were fighting against was to repel the Hellenistic influences of the times. That was the victory that allowed us to have an undiluted Yiddishkeit.

### Questions heard in the בית המדרש.

י"י asked, why did יעקב אבינו send יוסף to his brothers in שכם, did he not realise that it would be extremely dangerous for him to go there. See פרק ל"ז פרק י"ד on the words מעמק חברון, and the מלבי"ם on those פסוקים for an answer.

### Another Question heard in the בית המדרש.

The יוסף found יוסף lost in the desert; what was his purpose, to stop יוסף from going to his brothers or to send him to his brothers? There are hints for both.
